

Bishop Seabury Academy

Lawrence, Kansas ([siehe Karte](#))

Bishop Seabury Academy is a college preparatory school, but we are more than that. We are ambitious for our students and believe that all young people have a right to expect an excellent education in a safe environment—where curiosity and intelligence are qualities to be admired. Our school is for students who are serious about education and want to explore their potential, whether they are in the classroom, on the field, or on stage.

Our inspired, committed teachers bring to their classes a real passion for learning, and we engage each student as an individual, complicated human being. We stress the core curriculum and emphasize critical thinking in all areas. Our classes are rich with discussion and students are required to be active participants in their education and in their lives. Every student participates in both athletics and the arts. In this way, our students develop into confident, engaged, and exuberant people who can adapt to diverse learning environments and challenges.
