

Phoenix Christian Unified School

Phoenix, Arizona ([siehe Karte](#))

Phoenix Christian Unified Schools, in partnership with the family, equips students to discover and develop their talents and spiritual gifts in order to live a life of service, impacting the world for Christ. Non-Christian viewpoints are presented to enable students to evaluate all knowledge critically and develop their ability to discern right from wrong. Students are challenged to develop their talents for the honor of God and the service of others in all areas of life. Therefore, the Christian school broadens its influence within the communities in which the students live.

In an attempt to better prepare students for the rigors of post-secondary education, Phoenix Christian offers both Advanced Placement (AP) and Honors Programs. In 2010, graduates earned over 1.3 million dollars in scholarships and are attending prestigious colleges & universities around the country.
