

Ursuline High School-Ohio

Youngstown, Ohio ([siehe Karte](#))

Established in 1905 by the Youngstown Ursuline Sisters, Ursuline High School has provided a community of faith and an academic environment within which young people are challenged and supported to become who they have been called to be by their Creator. Our religious heritage permeates every facet of life at Ursuline. We proclaim the Word through formal instructional programs, through experiential activities, and through the celebration of the Liturgy. We build community to reinforce Catholic values as the basis for decision-making and as the model for personal relationships. We foster respect for our differences in gender, creed, race, and nationality by celebrating our unique talents, gifts, and abilities and by developing relationships that energize us in our work together.

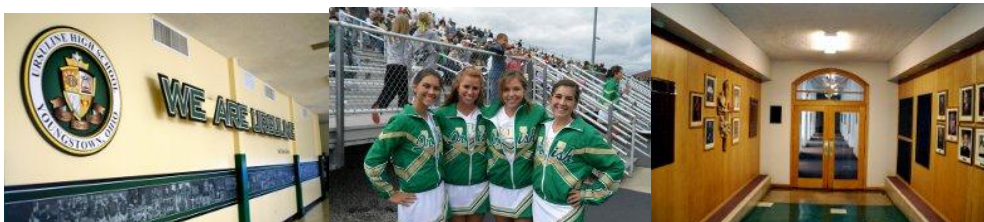

School Motto

Soli Deo Gloria – For the Glory of God Alone.

Academics

The instructional program at Ursuline High School is designed for the college-bound student but is flexible enough to meet the needs of most students. With many AP-courses to choose from students will be academically challenged while attending the school.

While the rigorous and traditional academic program is at the center of focus for every student at Ursuline the school also has a deep commitment to the fine and performing arts. A full curriculum of studio art instruction is enhanced by elective courses in ceramics and multimedia art. The music program features a marching and concert band and the theater department stages four major productions each year.
